{We're Hiring!}

Penn State Health and the Penn State Children's Hospital is seeking a Pediatric Cardiologist:

Join our Pediatric Heart Center now!

- Our Pediatric Heart Center includes 12 pediatric cardiologists (10 full time), and 2 pediatric congenital heart surgeons
- There are 8 PA's involved with in-patient and out-patient services
- Our Cardiology/CV surgery programs is among the best in the nation for children's hospitals (ranked #17 by U.S. News and World Reports and ranked as a 3-star program by the Society of Thoracic Surgery)

Penn State Health is a multi-hospital health system serving patients and communities across 29 counties in central Pennsylvania. It employs more than 16,500 people systemwide. In December 2017, Penn State Health partnered with Highmark Health to facilitate creation of a value-based, community care network in the region. Penn State Health shares an integrated strategic plan and operations with Penn State College of Medicine, the University's medical school. With campuses in State College and Hershey, Pa., the College of Medicine boasts a portfolio of more than \$100 million in funded research and more than 1,700 students and trainees in medicine, nursing, other health professions and biomedical research.

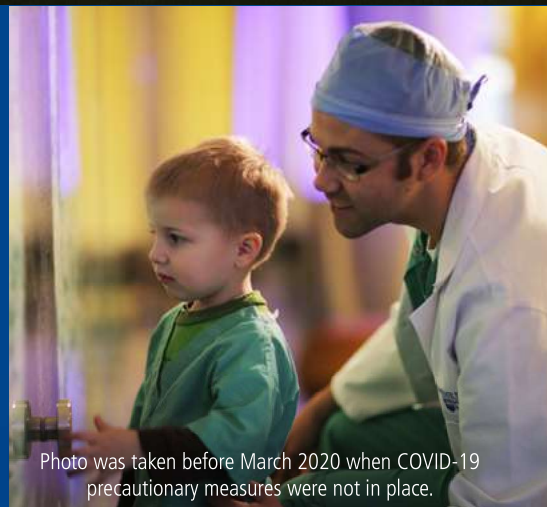

Photo was taken before March 2020 when COVID-19 precautionary measures were not in place.
